

Hope For Others Drama

Luke TryHarder: We beat them! Those enemies are never coming back!

Obi One SoHoly: Well, I don't know about that, but they are gone for now.

Master Yoga: Fight with all your might, so you did.

Luke TryHarder: We don't fight for ourselves, we fight for others.

Obi One SoHoly: That's right Luke. We never use the force for our own ends.

Luke TryHarder: We fight for good and not for evil.

Obi One SoHoly: Exactly.

Luke TryHarder: And that's what makes us the most famous fighters in the whole galaxy! Everyone will be talking about this for years to come.

Master Yoga: Fighting for fame, helped nobody ever.

Luke TryHarder: But Master Yoga, that's one of the best things about being a star warrior - having everybody know your name!

Obi One SoHoly: You will never be a Great Styar Warrior with that attitude Luke.

Luke TryHarder: Sign of a Great Star Warrior, humility is.

Obi One SoHoly: Humility means putting others first and thinking of them more than yourself.

Luke TryHarder: Is God humble?

Obi One SoHoly: God sent His Only Son Jesus to the world to save the whole world, knowing that Jesus would have to die so that His people could know God.

Luke TryHarder: Wow. I never realised...

Obi One SoHoly: God is the best at helping others - greater than any star warrior!

Master Yoga: Yes, greater than all Star Warriors, God is.
