

When it all Goes Wrong Drama

Luke TryHarder: I thought you said I couldn't go wrong!

Obi One SoHoly: When did I say that?

Luke TryHarder: I thought if I just tried harder it would all be okay.

Obi One SoHoly: I never promised that either.

Luke TryHarder: I thought you said that with God on my side I could do anything.

Obi One SoHoly: Well, you can. But that doesn't mean things don't get tough and things in life don't go wrong.

Luke TryHarder: But I was supposed to get into Star Warrior training! You're one of the trainers Obi, so why didn't I get in?

Obi One SoHoly: I know... but I just don't think you're ready yet.

Luke TryHarder: Ready? But it's my dream!

Obi One SoHoly: I know.

Luke TryHarder: I thought I was doing everything right. How did it go wrong?

Obi One SoHoly: I don't know Luke. But one thing's for sure, you can either be miserable or you can do something about it.

Luke TryHarder: What do you mean?

Obi One SoHoly: When everything goes wrong, you have a choice. Will you give up and start doing what's wrong, or will you keep going and keep doing what's right, even when it doesn't go your way?

Luke TryHarder: A star warrior always does the right thing.

Obi One SoHoly: Well, keep trusting God and keep doing what you're doing and let's see what God will do.
